

## YOUR SOURCE FOR RELIABLE PARTS

RigPro, part of the North Technology Group, is your trusted partner for high-quality parts supply, delivering world-class OEM and precision-engineered custom components to ensure your vessel performs at its peak.

## YOUR PARTNER IN EXCELLENCE

RigPro isn't just a parts supplier. We're your technical partner in pushing the boundaries of yacht performance, reliability, and innovation.

Explore our OEM capabilities and design custom components tailored to your needs.

## WHY CHOOSE RIGPRO?

### TRUSTED BY OEM PARTNERS

RigPro is the **only OEM-approved rigging service provider** for industry-leading mast and rigging brands; Hall Spars, Future Fibres, Southern Spars, Omohundro, Marten Spars, and Nordic Masts.

### CUSTOM SOLUTIONS & BRANDING

Our **in-house engineers** leverage FEA, advanced design tools, and rigorous in-house testing processes to create **any custom component** you can imagine - lock fittings, sheaves, spars, or beyond. For further personalisation, we can customise all parts with your yacht's logo for a seamless, branded finish.

### INTERNATIONAL DELIVERY

Through our **international network** and **global manufacturing capabilities** we deliver OEM parts **anywhere in the world**, ensuring fast, reliable service.
